

'Due to constant innovation and by expanding our activities, we believe in a strong future'

BMODESTO

your partner in pharma savings

Even though BModesto was founded in 2014, most of you know the owners Michael and Roy or the staff members for many more years. As a new player in the dutch market, the company grew in few years time to be the fastest growing independant PI company in the Netherlands. Distributing direct to wholesalers, pharmacies,

Michael Hendriks

Roy van Voorst

hospitals and many other stakeholders, gives BModesto an unique position within our local, but also within the European market. We believe in partnerships. Due to our long lasting relationships with suppliers and customers, we know we can be on top of product innovations and act fast in the constant changing market.

STRONG GROWTH

BModesto has experienced a strong growth and has it's focus on the parallel imports for the Dutch market and the supply of clinical trials all around the world. We continue to invest in our product portfolio to be attractive for our customers. This strong growth goes hand in hand with the possibilities to source products direct from the different national and international labs. With a team of over 60 employees we are ready to move into 2019!

WE ARE EXPANDING!

In order to realise our further ambition, BModesto has decided to build brand new premises! With our new bespoke state of the art facility, opening early 2019, BModesto will have enough space to follow her dreams and expanding the offered services even further!

Our combined facilities consists of the following:

- 3.000m² of warehouse space
- 1.000m² of office space
- 6 cold room refrigerators
- Peace of mind with back-up generators
- 24 labelling pods, facilitating 48 persons for repackaging
- Online temperature monitoring systems providing live updates
- GMP, GDP and controlled drugs licenses
- Fully ready for implementation of FMD and in line with all latest regulations

Our investment in this new facility demonstrates our determination to continue improving our services.

QUALITY ABOVE ALL

Quality is never compromised at BModesto! Through understanding the complexities and risks of global procurement, we have the right measures and checks in place to ensure patient safety. Our extensive quality and regulatory team are here to support you!

Introducing: BMclinical!

As most of you know, BModesto is supplying to an extensive number of high-profile clinical trials all around the world. To professionalise this part of our business we started the cooperation with Shanelle Mehta. Shanelle, based in the UK, knows the BModesto organisation from her experience and has spent the last eight years working for various pharmaceutical providers in sales and business development roles. Shanelle has extensive experience in managing global comparator portfolios for the top 20 pharma companies, CRO's and biotechs.

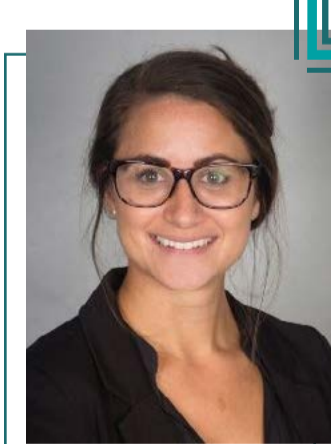

BMCLINICAL

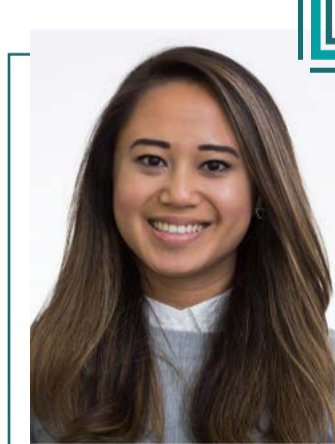

smart solutions from experience

"This is a great opportunity to build on BModesto's solid foundations within the clinical trial space. At BMclinical we want to continue to work collaboratively with our clients on aiding their research and development to bring innovative treatment to patients. Through our unrivalled open market network within the EU and relationships

with innovator companies we want to provide smart solutions to our clients. With a track record of supporting some major industry trials to date, we are positive for a successful future at BMclinical."

Shanelle Mehta

Sheila Huber-Ong
